

DIRECTOR OF CENTRAL INTELLIGENCE  
**Security Committee**

SECOM-D-295

The Honorable Edward P. Boland  
Chairman, Permanent Select Committee  
on Intelligence  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for your letter of July 22, 1980.

I am pleased to inform you that the DCI Security Committee's Investigative Standards Working Group has completed its analysis of the Investigative and Adjudicative Standards of DCID 1/14. The working group's report is enclosed together with its recommendations to the Security Committee. The Security Committee plans to discuss those recommendations in September and I hope to report to you the results of that discussion as soon thereafter as possible.

As a result of unavoidable delays in the analysis and publication of the working group's report, as well as the pressing nature of other business, the recommendations noted in your letter are only now being addressed by the working group. Both items are being discussed actively and, as soon as Security Committee action on them is completed, I shall also report those results to you.

Sincerely,

Chairman
